“ I have learned Love is Free..Judgment is for God & usually incorrect when applied by man ..appreciate the small things..and know that what you are going through is a lesson & already worked out..never let anyone steal your thunder...and complainers only use you as a garbage can, they inflict their poison onto you & never change a single thing...Help who you can & rid yourself of the rest...The only thing certain is death & taxes & you will pay both..With that said I honor My brother's passing with these thoughts & aspire to be a better Mother, Family Member & Friend..I Miss You Brother..I Love You In A Place Where There Is no Space Or Time!!!
