“ *Dear Edna Michael Family, please accept my sincere condolences regarding Ms. Edna. At times like this many comforting scriptures come to mind, so I wanted to share a couple with you. Revelation 21:4 is so beautiful because it shows how pain, sorrow and death will be done away with. We know that these things do not take place in heaven, so it is speaking about conditions here on earth. 1 Corinthians 15:26 says that 'the enemy death will be done away with'. We long to see these verses fulfilled. Soon our loving heavenly father by means of his heavenly kingdom will fulfill these and many more scriptures. You may have read about that in Matthew 6:9-10. Yes, when God's will is done on earth, we will see many wonderful things. May these thoughts bring you comfort at this time. Sincerely, Mrs. C. Santana*
