“ *Edna always had a smile on her face, and I'm sure she's smiling down from heaven on her wonderful family. I remember the numerous family events hosted by the family including my first water skiing experience on what we always referred to as "Warner's Lake". My condolences to the family. She was truly a special lady.*

“ *Heaven have received one of the most precious ladies they could have received! I never, ever saw Mrs. Warner when she did not have that sweet and infectious smile of hers. What a wonderful lady she was. I know that the family is hurting right now and I pray that God gives them the strength that they need for now and the times ahead. It is so, so hard to lose someone you love so dearly.*

“ We always told Mo that Edna was First Assembly of God's little butterfly. she fluttered from person to person spreading joy and love to all. Edna and Mo were the second set of grandparents that God gave us and watching them was a beautiful example of Christian love. See you at home Edna....we love you!
