

Edward C. Beyer

March 3, 1936 - July 24, 2025

It is with heavy hearts that we announce the passing of Edward C. Beyer, beloved husband, father, grandfather, and great-grandfather, who went to be with the Lord on July 24, 2025, after a courageous battle with congestive heart failure and complications from this illness.

Edward was born in Cincinnati on March 3rd, 1936 to Charles and Mary Lou Beyer. Edward was a man of extraordinary intelligence and vision, whose remarkable career as an engineer with both NASA and Ford Motor Company touched countless lives. His work was a testament to his deep understanding of the world, but it was his kindness and empathy that made him a beloved manager and colleague. He led by example, always fostering a work environment where hard work, integrity, and mutual respect were paramount. Edward had a rare gift: he could inspire those around him to achieve greatness while making them feel valued every step of the way.

Edward is survived by his devoted wife, Sharon L. Beyer, with whom he shared 15 years of love, RV travels, and laughter. He leaves behind his daughters, Beverly Dechape and Brenda (John) Weisgerber, as well as his cherished grandchildren: Jessica Jourdan, Stephanie (David) Person, Kristin Weisgerber, Kelly Weisgerber, and his great-grandchildren: Jenna Jourdan, Joan Jourdan, Pheora Wheeler, James Edward Person, Aaron Person, who brought him immense joy and happiness. His legacy lives on through them, as

he was not only a loving father and grandfather but also a role model for how to live life with grace, humor, and integrity. Edward was also predeceased by his first wife, Valerie Beyer, who passed away on August 12, 2009, after over 51 years of marriage. He is survived by his sister Mary Beyer, preceded in death by his sister Judy Morris. Edward's connection to his family, including his grandchildren and great-grandchildren, was one of the most rewarding aspects of his life, and he took great pride in watching each one of them grow and thrive.

A man of faith, Edward found peace in knowing that his work on earth after 89 years was complete. He leaves behind a legacy that will continue to inspire generations to come. Edward's passing is a profound loss to his family, friends, and all who had the privilege of knowing him, but his spirit will live on in the lives he touched. A celebration of Edward's life will be held on Saturday, August 23rd at 11 AM at the Indigo East Community Center, and his family invites all those whose lives he touched to join them in remembering this extraordinary man.

Rest in peace, Edward. You will be deeply missed but never forgotten.
