“ John, Jenny and Julie, . I am so very sorry to hear of Elaine's passing. What great memories she created. I will never forget her sense of humor and laughter. Elaine was so much fun to work with. She used to tell us "Well that's just the way it is." I knew I had a life long friend that first day I took Jenny to Binghamton. Jenny cried all the way down and back. Elaine said she was sorry but, I would get used to it. She was correct. Eventually Jenny became used to our schedule and the crying turned into laughter. God bless you dear friend and thank you for the wonderful memories.
