“ *How saddened we are to hear about your mom's, your grandma's, passing. Elaine will always be remembered for the joy she brought to others just by her being her kind, beautiful self. How blessed she was to have you all in her life to give her love and wonderful memories, and how blessed you all are to have had HER love and your wonderful memories with her. Our faith tells us she is in eternal happiness. We thank God for His promise. We love you all.*
