“ *Sincere condolences to the family. We met Elaine only a few times, but the memories she left with us were memories on someone we had known forever. Her beautiful spirit and smile, and great style were outstanding. We feel so sad that she was taken so early from a loving family, and friends. May she always be your angel. The greater the grief the greater the love...xx*

“ I am very sorry for your loss and would like to offer my condolences to the family. During this difficult time, I hope you may find comfort in the words of Psalm 34:18, where it says God is close to the brokenhearted and those crushed in spirit.
