“ Eleanor used to attend First Congregational UCC where I am a member. When we started meeting again after Covid, I tried to contact her but no response to her phone number and her villa in OTOW appeared vacant.

I was going through my contacts and saw her name and checked to find the obituary- sorry we don't get the paper or I would have come to pay my respects.

She was a very lovely lady and I always made a point of saying hello to her.

God bless you all!
