“Karen, Dave, and families: Just a note to say how we loved your Mom, she was like family to us. She and Buzz were the first people we met when we bought our home here. We found out they were from our "neck of the woods" in Pa, and that really bonded us. I was there the day your Dad died and your Mom was devastated, but such a great lady going through the next few days. We will miss her, but happy she is now reunited with her dear Buzz and our dear Savior. God Bless!
