“ Although I never met Eleanor, I have known her son, Andy, for a couple of decades. I have come to realize that Eleanor must have been a very special person to raise such a wonderful son. So although I did not know Eleanor oh, I know for absolute certainty that she was a fantastic mother. You only have to meet Andy briefly to know he had a good upbringing. Andy, may your mom rest in peace. As each day passes I hope you see less of a shadow and more of the Sun.
