“ I worked with Bet for many years a Van Rensselaer Manor in Troy, NY. She was a mentor and wonderful friend to this young social worker. I admired her so much and was such a role model for this young social worker. She shared many stories about all of you with me and we would even stop and have lunch with your dad and your aunt in Vermont when out doing intake visits. I sent her a card every year at Christmas and when it was returned, I checked the obits.) So very sorry for your loss. Shirley Naples Manning
