“ Sweetest Kathy came into my life in 2017 and was one of those rare people who walk into your life carrying a light that brightens your entire world. She was an instant friend who was so easy to connect with over so many shared interests and hobbies from art to gardening. She had a wit and humor that was admirable and a love of her family and life that was inspiring. To see her and her beloved husband together joking and teasing was what relationship goals are made of and the way she viewed life was refreshing. I feel so very blessed to have known her and have the blessing of our friendship and conversations. Everyone should be so lucky as to find a friend like Kathy that you can connect with and be inspired by. To her beautiful family that she loved so deeply, you are in my thoughts and prayers and it is my hope that so many wonderful and happy memories bring you peace and comfort at this most difficult time.
