“ Sorry I am so late with my condolences but I just heard of her passing today. I think of Betty often because I have so many things she has given me in years past, when I see them I think of her. She was amazing and I loved to hear her old nursing stories. RIP you great lady 💔

“ Rest in peace Betty. I haven't seen or heard from you in years but I dreamed about you last night. Though I would look you up to say hi but I guess it's good bye for now.

“ I knew Betty from Blessed Trinity Church at 8:45 Sunday mass. Before covid, Betty used to join a bunch of us for coffee & donuts at the parish hall. She was such a sweet, beautiful lady & will be missed. May she rest in peace. 🙏💕
