“ Just wanted to let you know how much Beth will be missed!! I am the nurse at Rawlings and she was such a bright spot in our day. I know she is at peace now, and will pray that the rest of the family is too.

“ Beth, you will always be in my heart. You and I did not spend much time together, but when I was privileged to be in your company, you were a Sweetheart. Stephanie and Kyle were so blessed in having you for a Mother. You were so very intelligent and loving. I appreciate your devotion and loyalty to your Family, and am trusting the Lord to keep you in His Loving Care throughout all eternity. Aunt Shirley

“ We met you last school year, as Te'yah's first grade teacher and you made such an impact on her life. She loves you more than you could imagine, and when she loves, she really loves....but you know that already. You are an awesome teacher, mother, grandmother and friend. I thank God for sending you into our lives. You're now a beautiful Angel who no longer has to suffer. **WE LOVE YOU AND WILL TRULY MISS YOU! Rest in Heaven!**
