“ *I have so many great memories growing up as twins. We were always so close and had a special connection. One of my fondest memories was spending summers with our family in Southhold, NY. After dinner we would walk around the neighborhood picking black berries and raspberries, playing croquet on the front lawn and fishing and crabbing in the backyard. What wonderful times they were. I Love you and will miss you very much.*  
*Your Loving brother Rob*
