“ I worked with Cheryl for a little while doing greeting cards and her mom Ms Betty would sometimes come with her and she was such a sweet joy to be around. We had a few laughs together ! Looks like Heaven is gaining another sweet soul. Prayers to the family my heart goes out to you 🙏❤️

When I Arrived in Heaven

*When I Arrived in Heaven
The First things that I saw
Were all the beautiful flowers here
And they had not one small flaw
On down the road as I traveled more
I came to a beautiful lake
When my eyes first looked upon it
Oh my breath did it take
You can never imagine the beauty it holds
For my eyes it's quite a sight
When my family and friends join me here
It will bring my heart delight
So please don't worry about me
I don't want you to shed a tear
All the things I loved on earth
Are much more beautiful here
When the day comes that we're together again
This day I do await
I'll be the one with the smile on my face
As you enter the Pearly Gates*
