“ My name is Betsy Settles in Prospect Ky. I am so sorry to hear of her death. I suspected something was wrong when I did not receive her early Christmas card. We were in college at Va Intermont together and she spent spring break at my home in Glendale, Ky in 1949. We kept up all through the years and visited your Dad and Betty in Ocal enroute to Sanibel many years ago. She adored her family and in my last conversation about 2 years ago she was vibrant and full of life. I will miss her. My address is 10425 WORTHINGTON lane PROSPECT, Ky 40059

“ My condolences and prayers go out to the Powers family. She was one of my Fifth grade teachers. She would always talk about her Husband Dr. Powers, and her children. She was a proud Wife and Mother. :) I felt like I knew all of them. She also worked many years with my Mother Betty Snow in the school system. They kept in touch over the years with each other after retirement as well, through phone calls, and visits. She was a great teacher. She will be missed. RIP Mrs. Powers. Betty Ann was a good friend with whom I enjoyed playing bridge along with Sissy and Carmen. We spent more time talking and laughing than playing. I will miss our time together. I know how much she loved her family, and I enjoyed hearing and seeing pictures of their summers in North Carolina.
