“ I close my eyes and can picture the many sleepovers and play days that we had as kids, Angie and Joanne, and have really heartwarming memories of both your mom’s and dad’s presences in the house while we played or dialed radio stations on repeat to win some prize. I can literally hear your mom’s voice in my head. My heartfelt love and sympathy goes out to you girls and to David over the loss of your momma.

And Jennifer! She was a wee baby and we moved away. 😭 I’m focusing prayer that yuh will be able to bring each other comfort right now while the loss is both numbing and cuts so deeply. Hugs to you all

“ Betty Ann was like a sister to me. I treasure the memories of our family vacations at Greenwood Lake as children and all the trips that followed as we grew up together. I stood by Knox, as his best man at their wedding and am comforted that she is with him again. Forever in our hearts. Uncle Edd, Margaret, and family.
