“ I just learned of Elsie's passing and wanted you to know what a special lady she was to many of us. I worked with her at Ocala Springs for many years and she taught several of my own children. She was such an inspiration and taught with so much creativity and enthusiasm. My son still remembers her lesson on the ear and hearing and I've heard him repeating it to his own son. I also remember being impressed while in her classroom by the way she encouraged her students to compliment each other for a job well done. She made a difference to so many children and her co-workers as well. I hope it might be some comfort to know how much she was loved at Ocala Springs.

“ It was with great sorrow that I heard of Elsie Lou passing from my daughter Stacey. I have very fond memories of her and Wally, particularly the trips in the VW bus (top speed 70 going down a steep hill) from Michigan State to my parents' home. I regret that I did not stay in better contact with her and Wally. Both will always have a place in my memories and my heart. Phil Seaver

“ Sending my thoughts and prayers to Bro. Mike and family. Elsie was such a special lady and loved by all. She went on several senior adult trips with us at SSBC where I got to know her and Wallace well. I enjoyed talking to her every time she came to KY at church. Your mother was a special person indeed.
