“ Good bye, Mom. Your gracious Father from above prepare me of your passing. His way is higher than my way. You are with me in spirit and love. I love you so much. God will show you the way of life in heaven, and you will soon meet Paul's parent. They will give you the understanding as I a servant to God. As we live our life on earth. Thank you for giving me a life, when you were so ill when you had me. Thank you for what you thoughts what best for me. Thank you for accepting me for who I am and loving me no matter what. Thank you for letting me go to live my life as God wanted. It's time to let go Mom, you are in peace. You are not forgotten. God will take cares of the rest. I treasure you in my heart. Thank you, Mom. To my siblings, who I love. Peace be with you. Matthew 11:28 "Come to Me, all who are weary and heavy laden, and I will give you rest."

“ May God strengthen the family members during this time of grief, bereavement and mourning. Today is cloudy but the sun will shine again. To family members keep God in your life and your mom is no longer suffering. She is with God now. My family members join me in sending condolences.
