“ *Dear Erica, There are no words to describe the pain we all feel after losing you. You will be missed tremendously by everyone who knew you. I still admire your perseverance and commitment in everything you did. You were an example for many and it's sad that you're taken away so soon,... too soon. Know that you brought a lot of sunshine and joy to your friends and family. Every time a ray of sunshine brakes through the clouds I will think of you. You will never be forgotten Erica. My deepest sympathy to your husband Kieran and family. Love, your Belgian friend Layla*

“ I am so sorry about your loss! Erica was such a hard worker and truly a nice person. You could always ask her advice and help and she was there. Some of my fav memories of her are going to Pepe's, one of her fav places to go eat. Anytime a new intern came to KESMARC, we had to take them and "break them in" to the tradition of going there. Her love for Disney movies was great, we would put the cd in and sing along! She will truly be missed but know that she is up there watching us!

“ Erica, Your light will always shine on with those you met and touched. You had an innate ability to make everyone laugh and feel comforted by your presence. The memories I had the ability to share with you will always be dear to my heart- you were genuine, caring, and one of the most kind-hearted people I have ever met. Your life was taken much too soon, but your legacy will always be remembered by those who had the chance to meet you. You are special and wonderful, Erica, and I will always cherish our memories.
