“*Ermas parents Paul and Elsie Otting raised my dad William Gottfried and his two brothers from an Orphanage home when they were very young so we have always felt like the were part of our family too. We are so sorry to hear of the passing of Erma Scherer. This is May 25th and we were never informed. My mother and I wondered why we never heard from her at xmas time and our birthday card just come back to us in the mail. We all loved Erma so much and she was such a joy to be around and always filled with so much laughter. We are glad that she is at peace and is with her husband Ralph. God bless you Erma and we are so lucky to have had you in our lives. God must have wanted a precious jewel for his crown as he took one of the best. God rest your soul and give you peace.*”
