“ *Dearest Deb & Denny and all of your family, Dave and I would like to send our deepest sympathy and love to each of you. I had the delight of meeting your precious mom years ago. As I sat and listened to her chat about her dear husband and children, her very interesting Swedish heritage including a a straw goat if I remember correctly, I was impressed by her graciousness and friendliness to me. Her love of hymns and the Bible, especially Psalms 23, must be comforting during this time of loss. She knew and loved her Lord and Savior, Jesus, and she is now with Him and with her handsome man in uniform. With love and prayers for each of you, Debbie and Dave Fusco*
