“ *I don't have the words to properly express my sorrow. Mr. Hernandez was like a father to me when I was growing up. He was a mentor to Gene and myself, teaching us how to use our hands and our minds. His message to us on how to be humble is the basis from which I still operate today. I looked forward to visiing with he and Mrs. Hernandez on my all too few trips back home and I will greatly miss him. God Bless*
