“ *Many fond memories of staying with Auntie Bumpy - she was so easy going with never too many rules or restrictions! Always dogs, birds, or turtles around. A great artistic talent and I still remember her telling me she can only paint in bare feet. My love and support to all! Bernadette*

“ *I am currently snuggled up with a blanket Francis gave me in the spring :) I have so many fond memories. One that always pops into my mind was when she was visiting Lucy's many many years ago and she had her pet Ferret with her. She often let the ferret run free in the house and would laugh at me when I came in and had to hop up on a chair when I realized it was not in the cage! I was petrified of it.*
I have many many memories of Frances and will cherish them forever. Sending Hugs and Prayers to everyone from GA and from Vancouver Island.

“ *Bumpy was a wonderful friend, a beautiful cousin....so full of life and adventure. A happy memory are the times when I would look out of my kitchen window and see the Llanos car coming down the driveway in GanKnaSki Ave to our house.....a weekend visit from this beautiful big family!! More soup in the pot, mattresses on the floor, laughter and high jinks....and Bumpy and I quietly rocking on the porch, oblivious to the confusion, catching up on what was going on in our lives!*

My heart is with you all at this time...Martin, Mary, Paul, Catherine, Helen, Lucy and Dominic, and all the spouses and children!

*Love,

“ *Heaven needed another angel. She was already our angel here on earth. I will miss her til my last moment here on this earth. It's so hard to say goodbye to our Bumpy. I know one day I will think of her and smile, but right now it is just too hard. I love you Auntie. Rest well. Francene*

“ *'Auntie Bumpy'*

We recall our fondest memories of an amazing Auntie, coming to her Brother's aid, taking on 3 additional children along with her own; a selfless act of love and kindness, whereby we were made to feel included, happy and loved.

Auntie Bumpy was a very special lady indeed, with such a capacity for love, strength and great Christian values! She put many others needs before her own, a huge heart!!

Children or adults, we all clung to her soothing, peaceful, protective and loving manner, none so greater than at the time of the loss of our own dear father, where her presence was such a comfort and a reminder of the great Matriarch she was!

May she rest in peace with past loved ones. God has recalled one of his Angel's. Our love and deepest sympathy goes out to All the Family.
