“ To The Family :Please accept my condolences. The Bible says that The span of our life is 70 years, or 80 if one is especially strong ! (Psalms 90:10). Mr. Ortiz was 93 ! He must have been a strong man. Though knowing this may not fill the void of loss nor the pain, the bible assures us that soon Our Heavenly Father will eradicate pain, suffering, death and it's causes (Revelation 21:3,4). Also, Our Heavenly Father Jehovah, through prayer, will help you endure the days ahead. Sincerely,Angie.
