*“ dad I love you so very much an we well all miss you being here with us. its going to be so so very hard to let you go because you have been the greatest dad & father & friend any son could have ever asked for or wanted. you were always there for all of us in the good times as well as the bad ones. you have given me & everyone else so many wonderful memories to cherish and carry in our hearts forever. my lose for you is so very hard to bear. but deep down i know that you are no longer in any pain and you are not suffering any more and you can move about freely now because you are now free of this world. dad i know as you sleep that you are at rest at last. and we well all be together again when Jesus call us all home. dad thank you so very much for every thing. i am so so grateful that i am your son and that god let me be a part of your life. dad rest in peace now. our love for you well last for forever. love
