“ *I have been truly blessed to have been able to be with "Buzz" for nearly two years. Taking him to BINGO and other activities, walking around the facility where he lived, and getting him strawberry ice cream were just a few of the things I enjoyed doing with him. We also did puzzles together and played card games. Buzz was such a wonderful person to know. (YEAH!) I will miss him terribly, but I am so glad to know he is at peace now and in no pain. YEAH Buzz.... YEAH My love and prayers go out for all the family who showed Buzz so much love and care. He was so blessed to have you watching out for him. You truly did your best and Buzz KNEW he was loved by you all. God bless you! Marsha*

“ *It was a true blessing to have had Buzzy in my life. I always remember him walking over to our house in St. Pete to visit and always asking how we were doing and truly caring about all the family. I especially remember his laugh and smile! Our prayers are with him and family now. Jim and Lou Ann Damm*

“ Please know that our love, thoughts, and prayers are with you both. Death is never easy to deal with but the only realization we have is to know that he is no longer in pain and he is in Heaven watching over you both. Celebrate his delivery to Heaven and know that one day you both will be reunited with him and all family and friends who pass before you. We love and truly appreciate your wonderful friendship.
