“ I met Gary in my early days of laying block. We spent many hours traveling to and from job sites. Many hundreds of miles. A lot of blood and sweat on the job. Haven't worked together for about fifteen years but stayed in touch. Proud of him and Pat for finally marrying. That was a good time. Had many a beer together recently. He preferred Budweiser with a splash of V-8. Had my first Bud-V-8 with Pat the day i heard of his passing. Pretty good actually. Favorite memory was first night race at Daytona Pepsi 400 1998 together with another friend named Gary who has also passed. His guy Jeff Gordon won. Never heard the end of it. Really grew to love Gary and Pat also. He mentioned his daughter a lot in the past and recently. I'm sure she was his biggest joy in life. He was very proud of her. Glad to meet some more of his family. We lost Gary way too soon. Really gonna miss u ole pal. Mine and Bonnie's condolences to Gary's family. Jack Scharfschwerdt

“ My heart goes out to all the family. I have fond memories of Gary playing monopoly upstairs on the third floor, or football with Ron, Jamie and I, and my favorite of him building dams in the creek out back at Newark Valley. Gary was part of my life as I was growing up, our families were always spending time together. I think there is somewhat a normal progression that cousins tend to drift apart over time, and we did, but my fond memories of our earlier years together will always be there.

“ Dear Henneman family, We were so sorry to hear about Gary. We are also so sorry for my niece, Gary just recently graced her life. I can say he stepped up to the task and was there for her since they reconnected in Florida. We know he meant a lot to all his family, and friends that loved him. Our thoughts are with you.
