“ Darcy, we always enjoyed stopping by on the golf cart when your dad was out pittering. We enjoyed talking with him. He so loved his family and seemed to enjoy his time in his new home, new community and town. We are thankful we had the chance to get to know him a bit. Praying all of your good memories will be a comfort to you all. How awesome that your mom is only a loop away from you. Prayers for her and all of you. From Jim and Patti Pott.
