“ I met Gary and Patty in the early 2000s, probably sometime around late 2003 or 2004. They were visiting San Francisco, my home since 1987. While I was born and raised in the Bay Area, and I have lived my entire adult life in San Francisco, I had never heard of the Buena Vista and their famous Irish Coffee. At least not until Gary mentioned it. Since then, for the past 20+ years, every time I've been near the Buena Vista, or heard of people going there, or enjoyed an Irish Coffee there myself, I've thought of Gary. Every single time. I'm so glad that I got to know him a little bit, and I'm so glad that a guy from the other side of the country introduced me to an institution in my little city. Cheers, Gary.

“ I too remember when Gary came out to Las Vegas to visit our family. It was about 55 years ago and yes, he did have the coolest red sports car! It meant so much when he came out to visit when my mom passed.. I always remember him as being so kind and caring. Sending prayers to the whole family. 🙏🙏

“ I remember when I was a little kid Uncle Gary came to Las Vegas and I so remember that he had the coolest little red sports car that I had ever seen. Being so far away I never got to spend a lot of time with him and Patty so when they came to my wedding to Joni it was such a wonderful surprise and gift that they were there. I will always remember him with a smile on his face and cool and relaxed away about him. He will be sorely missed.
