“ Gary; You will be missed very much, sorry it took me this long to write this but I had a hard time emotionally just as I am now. There is so much to say I am sorry that time and distance came between us. You were a very smart person I always admired you for that and your ideas for auto racing, I will always remember the trip we took across the country back in the 80s it was one of the best times of my life that I spent with you. I will always love you Gary and I always miss you, may God always be with you and may God bless you and Mary I love you both.

“ When someone we love dies, it leaves a hole in our hearts. This sorrow was felt by Jesus, Mary and Martha when Lazarus their brother died. Jesus said to Martha: "I am the resurrection and the life, the one who exercises faith in me even though he dies, will come to life. Did I not tell you that if you would believe you would see the glory of God?" Then he proceeded to resurrect Lazarus and he promises to resurrect all those in the memorial tombs. Please read John 5:28, 29 in your Bible and may this hope bring your family comfort.
