“ Words cannot express what a profound effect Uncle Gene has meant to this family. He had the most amazing smile and laugh. We will miss him dearly. I regret that he will not get to see the newest addition to our family. He had so much life in him and for that he will have an enduring place in our hearts. We love you and miss you from Steve, Dina, Stephen, Malcolm, and Victor Sterling.

“ WOW! There are so many memories. Let me just say cousin Gene always had a good word of advice, after listening intently to what you had to say. Hey, maybe I should have listened more..LOL! Most of all he demonstrated the character of what a man should be.
