“ *My heart-felt sympathy to Kay and family. I have known Gene for over 65 of our 82 years having graduated with him in 1960 at Hanover High here in Penna. Gene was very friendly and a lot of fun. He and his buddies did their share of typical teenage pranks. Our yearbook says that one of his goals is to become a Marine. It was in the Marines that he met the love of his life, Kay. He and Kay attended most of our class reunions and had plans to attend our 65th this August. We will miss his fascinating and often funny stories. Kay, we will cherish those memories and will keep you close to our hearts. Bonnie Turchin*
