“ *I just want to say to the entire family how sad i am for your loss. I remember your mom from my Teenage years and how happy you all were. That alone should bring joy to you when you think of the fine lady you lost. God Bless you all. Rick*

“ It has been a long time since your Mom & Dad let us stay with them (33 years ago) on our honeymoon but i'll never forget their hospitality!!! All my memories our happy ones with them. It's so said that your Mom had such a tragic end to such a good life. Our prayers are wih your entire family. Your mother was such a good example of hospitality. All my memories of her are nothing but good. My first nacho I ever had she made from scratch in New Mexico and my first hush puppy she made in Florida. One day soon our love ones will all be back alive and then we all will be nothing but joyful. (John 5:28&29). We are truly saddened by your loss but we are happy she is no longer in such pain. Love, Denny & Cathy Knab.
