“ *Grandpa you will always be my turkey. I will remember doing puzzles with you, watching you tinker and fix things, our talks and your yummy breakfasts. My most precious memory was my wedding. After only six months after open heart surgery you traveled to my wedding. You got upset because you couldn't dance. I was just happy to have you there. I am sure you are having a blast with mom and dad. Miss and love you turkey.*

“ We will miss the great, early morning talks on the patio, the outstanding breakfasts together, but mostly your bigger than life loving smile, your sarcastic sense of humor and how deeply you loved Grandma. Time spent with you was never long enough, but, always quality filled with love. We love and miss you.....

“ Our thoughts and prayers are with you Mama Peggy, Gina, Cassidy and Bobby. We will truly miss our daddy George with all our heart. No one will ever be able to replace his smile and kind love he gave to everyone he meet. Not to mention that he always smelled so wonderful. (lol) He lit up every room with his wonderful smiles and amazing way of telling you things. My boys will always remember their papaw Geroge and feel eternally blessed to have had him in their lives. We know how much he loved his family and grandchildern. He will always live on within our hearts and memories. We know God may have called him to his finally home but we shall all see him and share another laugh with him again some day. May he Rest In Peace. We will always Miss you so much George. We loved you with all of our heart. Peggy, Gina and Cassidy please know we love you and are here for you if you need us.

“ I truly don't remember how long ago this was, but we had gone out to eat and dad & I had steak , and we all know how much dad loved his steak, but we both had leftovers and took them home , later that evening We both got our steak, each of them in their own container got a knife and fork i& sat on the back patio and talked and. had our cold steak together , Dad I thought that was the coolest thing , just You and I eating leftover steak together. And I hope you felt the same way, after we finished eating I told you this was something I would never forget. Well LOVE YOU DAD YOUR SON JIM

“ Our Father who art in heaven, hallowed be thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us, and lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, for ever and ever. Amen RIP Mr. Foss
