“ *George (Rob) My beloved husband, I cannot express how much I love you, and miss you. God has called you home my darling, and I know your physical pain is gone. You were a wonderful husband and we shared a very special love. A love that many people never know, but we were lucky enough to have found it. God blessed us in that way. We only had 14 1/2 years together, but it was the best years of my life. Until we meet again in heaven my love, I will love you all the the rest of my days and beyond. Your loving wife.

“ *I will keep you forever in my heart, my wonderful father. I love you more than words can say and feel your love in return. I am glad you are at peace and no longer feel pain. Most of all, I am glad you are with the Lord now and reunited with loved ones that have passed. I send my condolences out to the many, many people whose lives you've touched and who have felt your deep and caring love. I will honor you through my own life and hope that I can continue to make you proud until I see you again. Rest peacefully, Dad.
XOXOXOXOXOXO <3*
