“ DAD- when we fell down, you were the first there to pick us up!! When we were going through tough times in our lives you were the first to make us look at the bright side of things and to always remember someone else had it worse!!! You taught all us boys how to be hard workers and to understand the value of family!!! Growing up we may have never had a lot of money but you always made up for it in making sure that we were the happiest family ever!!!! Of all the thoughts over my last 39 years with you the one that stands out the most is when B DOG was 3 weeks old and in NICU, he wouldn't move or wake up for anyone until the day you walk into his room and he grabbed your hand and woke up!!! I love you dad and will miss you terribly!!! I can only hope that one day I will be as strong of a family man that you are!!! Love your son, chuck
