

George Malvar

August 16, 1950 - September 1, 2025

George Malvar, a beloved husband and father, graduated to be with our Lord and Savior on September 1, 2025. He was born on August 16, 1950, in Camagüey, Cuba, and at the age of three, he migrated to the United States where he would build a life of creativity and dedication.

He gave his heart and life to the Lord, "born again", in November of 1972. He was a devoted, Spirit-filled Christian who loved sharing the Word of God, the good news!

In his early years, George was a dedicated pastor and a talented drummer who brought many young people to know the Lord during the Jesus Revolution movement. The stories he shared were awesome!

He was also a talented custom home builder and he found great success in the ventures he pursued.

He is survived by his beloved wife, Donna Biggers Malvar, who stood as the unwavering rock of their family; his daughter, Christy Malvar Galas, and her husband, Greg; his grandchildren, Crystal Elder (Jameson), Ryan Gibson (Kaitlynn), Sabrina Galas, AJ Barris (Allison), Joshua Galas (Mya), Jacob Barris (Jess), Preston Gibson (Nicole), Madison Galas, and Brett Barris (Bridget). He also leaves behind, Charity, whom he loved as another daughter, as well as her two children. He leaves behind many nieces and nephews who looked at Uncle George as their Dad! He adored them beyond measure and took them under his wing.

He was affectionately known as Papi to his nine grandchildren and seven great-grandchildren.

He was preceded in death by his daughters, Sandra Jo Barris and Kimberly Malvar Gibson.

Above all, George was defined by his love for the Lord and his family. He cherished them unconditionally, and his love was the greatest gift he gave. He is now dancing in the streets of gold with Jesus and his two daughters, a legacy of enduring faith and love that will live on in all who knew him.

At the family's request a private service will be held Sunday 09/07/2025.

To honor George, the family kindly requests potted plants so that the love shared may continue to grow!
