“ A good man with a big smile. It was always a pleasure to see Mr. & Mrs. Prislupski at the banquet at the firehouse. We always managed a joke and a hand shake. Mr. Loopski as he was to us trusted Us with teaching Georgie the ins and outs of being a firefighter and was always supportive. My sincerest condolences to the family, especially Christy and Georgie. It was a privillage to get to know your parents and I feel your loss.

“ Our family gained a new angel. George left us to be with his loving wife. Do not be sad because he is free from pain and soaring high above to watch over all. He will be missed by many. I will miss his calls and cards. To George, Christy and grandsons, I send my deepest sympathy. Take care of each other because that is what he would want. Rest in peace George.

“ I miss you so much grandpa! I can remember hanging out with you all the way back to when I was only three years back when you lived here in Pennsylvania. I remember you always joking around with me about the time when I was learning to ride a bike and you fell into the blueberry bushes trying to catch me :) I made so many happy memories with you in just the past couple years alone like all of the times you went out fishing/crabbing with us and the times you went to the beach and pool with us. I'm glad I got to spend so much time with you this past summer going on drives around the area with my permit, hearing all of the stories you told us from when you were young, and even the time you tricked me into going dumpster diving with you to get stuff you could use :P I'm glad your finally relieved of all the pain you had to put up with and that you are finally back together with the love of your life! I love you soooo much grandpa and I always will, I wish I could have seen you one last time to say goodbye and tell you that I love you- I had no idea that the last time I said it to you would be the last...

“ Thank you for being the most loving and caring father and girl could ever hope for. You were not only my father but my best friend as well. My heart aches to not have you here with us anymore but I know you are still here looking after us. Finally the pain is gone and God has you wrapped in his warm embrace. I am sure mom was anxiously awaiting your arrival and finally at last you are back with your one and only true love. I love you daddy.

“ God saw you were getting tired and a cure was not to be .So he put his arms around you & whispered come to me. With tearful eyes we watched you . And saw you pass away. golden Although we loved you dearly, We could not make you stay. A golden heart stopped beating, Hard working hands at rest. God broke our hearts to prove to us, he only takes the best.
