“*Celeste, Mary and families, I met your mom and dad when you first moved to Ocala, I believe Mary was in one of my business classes at Forest High School. Your dad was always very interested in your time in high school. He had a very nice smile and great sense of humor. I know you will miss him dearly. But I also know that you will have wonderful memories of a gentle man and a true gentleman. My sincere and heartfelt condolences. Judy Maglio Williams*
