

George Joseph Warren

February 5, 1955 - June 24, 2019

George Joseph Warren, 64, went home to be with his Lord on June 24, 2019, surrounded by his family in Ocala, FL. George was born and raised in Hollywood, FL to parents Joseph and Margaret. Hollywood will always hold a special place in the hearts of the Warren family, because Hollywood is where George met the love of his life Melody 42 years ago. They wanted to be certain that their love story would last, so they tested the waters and dated for almost nine years before eventually tying the knot in 1985. George and Melody decided the hustle and bustle of the big city wasn't where they wanted to raise a family, so they moved and eventually planted roots in Ocala, FL. They welcomed their first child Katie in December of 1985, and their son Joey completed the Warren family in May of 1988. George was known for his ability to build just about anything. There was never a job too big or too small that he couldn't complete with perfection. George lived a life that exemplified his name and in doing so, left a legacy for all that knew and loved him. The doors to his heart and home were always open. He will be remembered for his unconditional love, inner strength, unwavering faith, adventurous spirit, love of the outdoors and true dedication to his friends and family. George was preceded in death by his parents Joseph and Margaret. He will be forever remembered by his wife Melody; his daughter Katie and her husband, Steve; his son, Joseph Joey and his wife, Kirsten.; his sister Jennifer; and his brother Patrick. Papa G will definitely live on in the hearts of his four grandchildren; Brandon, Dylan, Cameron and Ashlynn, as well as many other friends and

family members.

One of Georges favorite places to visit was the Florida Keys. When the time is right, Melody and the family will be honoring Georges wish and taking his ashes to spread them in the places down in the Keys that he loved so much. In lieu of flowers, those that wish to make contributions to the keys trip will be greatly appreciated.

“ *My brother George - baseball games, softball games, croquet in the yard, dolphin rides in the pool, so many life lessons and skills you would teach. My love of watching sports and the outdoors was inspired by you. Your door was always open, and you were always there if we needed you. I know you still will be, only from a much better place. Always the great entertainer, you made everything fun from just a few words you would say to your full on Crocodile Hunter impression. Crikey! you'll be missed until we see you again. We're so grateful to have had you in our lives, and for all the memories you've given us. All my love, our love. Your sister Jennifer, your brother Brian, your nephews Kyle and Zachary.*
