“ Dear Cassatt Family,Lease accept my heartfelt sympathy and condolences in your loss. I didn't know Jerry real well, only through the American Legion Post 354 meetings when we had enough time to talk a little while or go on Legion functions together as part of the group, but well enough to talk about the fact that we were both from upstate New York and had a lot of things in common about the area from bygone years. I will miss his congeniality and friendship.
