“ Dear Holloway Family, sending deepest condolences in your loss. May you be comforted by the Bibles hope of the resurrection of our loved ones at John 5:28-29 and Acts 24:15. The Bible teaches us that sickness, old age and death were not part of Gods purpose for man . Soon paradise on earth will be restored and death will be no more (Revelation 21:4, 1 Corinthians 15:26). Jesus said the meek will inherit the earth. What a happy time that will be. Wishing you peace and comfort.

“ *The circle of life when we live in faith is an inspiration to behold and one of the Lord's blessings when you are its beneficiary. When I was 5 or 6 I was at Gerald and Gloria's wedding with my mother. This was the first wedding I remember and probably the most beautiful and inspiring thing I had seen up to that point in my life. It was inspirational to me even before I understood what that meant. For the next 60 years I have been honored to call Gerald and Gloria family, friends and a constant source of inspiration and examples of lives well lived. Gloria, you are surrounded now in your time of loss by a loving family with your beautiful children, grandchildren and great grandchildren. What a joyous testimony to you and Gerald for fulfilling God's plan. It is my prayer for you that the Lord will continue to bless and keep you as you mourn but at the same time celebrate what you meant to each other and to me personally for lives well lived and the joy you have provided to me, my children and to everyone you have touched. Know you are loved, know that you are in my thoughts, know that although Gerald no longer has to "run the good race" or "fight the good fight" the Lord still has things for us to do. Today and throughout the remainder of our journey through this circle of life you have all my love and appreciation and thankfulness for the inspiration and blessings you have shared with me.
