“ I really enjoyed jerry's friendship, he will be miss. There is much i can say, but to shorten it, jerry could be serious when he needed to be, he had a good sense of humor, he was fun to be around, he was a intelligent person, he also was a teacher in his own right. We painted together for about 12 years at e-one, what a time that was. I pray that god will be with the family a friend of Jerry's, Ralph

“ Many good memories of a kind and fun guy. Will never forget all he contributed to our wedding and reception, (with a great band) that helped make it such a great day. He knew how to enjoy life, and all who knew him and the wonderful music he made are surely the better for it... Jerry you will be missed.

“ My condolences to all of Jerry's family. What a happy and smiling character he was. It has been years since I have seen him but I will never forget he and my brother Ron riding their bikes all over the neighborhood with not a care in the world. Rest in peace friend.

“ *I wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which i'll never part. God has you in his arms. I have you in my heart. You were my brother and friend as a child and as an adult. Give Staci a hug from me. Love you big sister*

“ *He had a nature you could not help loving, And a heart that was purer than gold, And to those who knew him and loved him His memory will never grow cold. Jerry was a wonderful man, father, and most of all friend. He will be missed, but will always be in my thoughts.*
