“Dad, I loved you like you were my own father. you taught me many things in the last 25 years. It was a pleasure to be able to take care of you and for you to have faith in me to take care of your needs. you were a wonderful man full of laughter ,stories, and jokes and concern for others ,you would give the shirt off your back to a stranger. I love you and miss you very much, but will always remember you.

“Dear Rupp family,I know you do not know me but I wanted to extend my condolences during this very difficult time. A scripture that encouraged me very much when my grandpa died is John 5:28,29. It says "Do not be amazed at this for the hour is coming in which all those in the memorial tombs will hear his voice and come out." What a wonderful time that will be!

“ *The moment that you died my heart was torn in two one side filled with heartache the other died with you .I often lie awake at night when the world is fast a sleep and take a walk down memory lane with tears upon my cheeks. Remembering youvis easy I do it everyday but missing you is a heartache that never goes away .I hold you tightly within my heart and there you will remain until the joyous day arrives that we will meet again Dad love you*
