“ Jerry Scott and his wife, Susan Knapp, were members of the PYC boat club in Lake County, FL when we met in 2002 and we enjoyed sharing our love of boating on the lakes of Lake County. Jerry and Susan moved from Columbus, Ohio and bought a home on Lakeshore Drive in Eustis, FL. They were big Ohio State fans along with other college buddies living in the area. Susan passed April 5, 2022 and less than two months later Jerry passed. We shared many good times over the 20 years we knew them. They are missed by many friends and loved ones. Terry & Kay W.
