“ We will miss being at Mama J's services tomorrow, but please know you will be in our thoughts and prayers. I think it goes without saying, we loved Mama J to pieces.....but who didn't? She always added so much fun and laughter at the family gatherings we attended over the years. Mama J was always so loving and caring, from the moment I met her, I just felt we were family, but Mama J made everyone feel like that - because that was the kind of person she was! I have a lot of great memories that I will keep in my heart, it has truly been a real honor and pleasure to know Mama J. We love you all and will be thinking of you during this difficult time. Love, Parker and Diane

“ MaMa "J" was one of the best mother-in-laws a girl could have! A very special lady who was full of life, love and "spunk." Any one who met MaMa "J" couldn't help but love her. We had a lot of laughs, some tears, but most of all, love!!! I will miss her but she will always live on in my heart... This one is for the family: "HOW BOUT THEM BRAVES"
