“ My beloved friend Glenna, How I will miss you and what a bright shining beacon of pure joy you were to me and others. Bob and I had such a fun time visiting at your beach home in Maine years back and we'll never forget those memories or you. So happy that I met you at church many years ago and that we had good visits at your home together. RIP my friend until we meet again. Sue and Tony and Heidi, Our deepest sympathy and love are with you as we all remember and will miss her, too. God's blessings. Val and Bob
