GONE HUNTING AND FISHING WITH THE MASTER

I've finished all life has for me,
I've been invited to
the great hunting and fishing grounds,
Where everyday is a
wondrous day to hunt and fish,
to fill your heart with every wish.
Don't worry, or feel sad for me,
For I'm hunting and fishing
with the Master of the Hunt.
We'll miss each other for some time,
but in time you will come,
and we'll be with each other again.
That won't be long you will see,
'till we're together again, you and me.
For all those that think of me,
know that I am on a great hunt and fish
and happy as can be.
Of those that wonder my missing
Tell them I'm gone hunting and fishing.
